Pink and fluffy just like the Easter Bunny's tail! This macaron is full of raspberry marshmallow fluff and raspberry jelly! As a special request from the Easter Bunny, this macaron is dairy free too!

### EASTER BUNNY'S CARROT CAKE MACARON

The Easter Bunny has let us in on a secret... their favourite treat isn't carrots... it's carrot cake! This year Mr. Bunny helped us create the perfect Easter macaron full of warm spice with a surprise cream cheese frosting center!

Hot from the oven or toasted with a layer of butter so thick you can see your teeth marks, these are the perfect Easter treat.

### CHOCOLATE HOT CROSS BUNS

Taking decadence to the next level, these hot cross buns are dark with cocoa and studded with dark chocolate.... our absolute favourite!

### STICKY DATE HOT CROSS BUNS

Yes, you read that correctly. Sticky date hot cross buns. Sticky, chewy date studded, hot cross buns filled with salted caramel custard and topped with crunchy toffee.
